JANUARY

January will certainly bring in the cold even more than December, This is a great time to make sure we are all taking care of our pets, friends, houses, and ourselves. We have tips on this newsletter for winterizing your home and tips on our Facebook page for protecting yourselves and your pets during the coldest days.

Winter is coming... Not just in the north of Westeros and along the wall is winter coming but also in King's Landing and Dorne. With Winter comes more troubles from beyond the wall.

Now is the Time to Winterize Water Lines

City of Auburn Water department offers the following winterization tips to help:

- Insulate water lines (with wraps or tape) that run outdoors or in unheated areas
- Consider insulating water heaters as well
- Drain irrigation systems completely
- Drain and disconnect garden hoses from outdoor faucets
- Place covers or insulation over outdoor water spigots
- Drain water lines that feed outdoor faucets
- Remove window air conditioning units and insulate those areas
- Clean gutters, so winter rains and melting snow can drain
- When leaving your home for an extended period, set your thermostat to 55 degrees — rather than turning the heat off completely
- Should a pipe burst due to freezing or under any other circumstances, always know how to shut off the main water line servicing your home

MAYOR'S CORNER

LOOKING FORWARD

MAYOR
LINDA
BLECHINGER

We are always grateful for what we have and what we have planned in your city! This year will bring positive changes for all of our citizens and changes to our downtown area.

Our new Municipal Complex will open early this year and at that point our City Hall and Police Department will move out of the downtown area. This will open up our downtown to new businesses to join our existing businesses and add even more options for our citizens to have dinner, shop, and just get out and enjoy their downtown.

We have many wheels turning to plan for our move and many ideas and proposals for what will become of your Downtown Auburn. We will have updates online and in our newsletter as soon as we have most up to date information.

For the time being always check us out on Facebook, Instagram, Twitter, and the World Wide Web. You can also scan the QR code to the left to find out more information on the new Municipal Complex progress.

Thank you all for your passion and care for your City and I wish everyone a joyous and prosperous New Year!

Our city's new Municipal Complex and surrounding neighborhood are ramping up the progress. Some of the houses will be move-in ready by the end of the year and the Auburn Municipal Complex itself will be ready for our move shortly after January.

Keep up to date with the latest by scanning the QR code below:
