5. Implementation Schedule
   A. BMP activities completed during this reporting period: The City held their Earth Day Cleanup event on April 25 and 26, 2014. Residents were invited to drop off various items to prevent the material from entering local streams. Also, again the City participated in the DEA’s National Prescription Take Back Initiative. A box was set up for collection of any unwanted or expired medicines. Medicines in the home are a leading cause of accidental poisoning and flushed or trashed medicines can end up polluting our waters. Announcements for the event were featured in a brochure distributed at City Hall and the Barrow County Newspaper, as well as in the April 2014 Auburn Messenger which is distributed in the water bills and featured on the City of Auburn web site. Approximately 216 residents participated in the event. Nearly 19.50 tons of junk, 143 tires, nearly 3.97 tons of metal, 919 pounds of batteries, 150 gallons of used oil and 5,599 lbs. of electronics were collected and recycled.
